

Church Planting in Trieste, Italy

January 2008

Happy New Year!

We hope you all had a great Christmas and New Year. We enjoyed the holidays with Ryan's family, here in Milwaukee... plenty of food, fun, and snow!

Do They Have a Mission Organization Yet?!

We applied to Tentmakers Bible Mission, and have been invited to their missionary candidate school in the spring. We are thankful for that opportunity. The Lord may have opened another door as well, with Fellowship International Mission. FIM is the organization our future co-workers, Caleb and Linda Klontz, are with. In our minds, being with the same agency could bring unity to the team, so we are in the process of applying to FIM. We still want to be sensitive to the Lord's will. Please join us as we continue to pray for direction.

We've started learning Italian with the Rosetta Stone computer program... Please pray that we're faithful!

Job Update

As a reminder, Sarah working at an international school in Trieste would greatly reduce the amount of support we'll need. While there is still no definite news to report, things are looking positive. We expect to hear within a month or two whether the art teaching job for next August will be available.

The Lord's Provision

Already, \$500 of monthly support has been pledged! Also, we're thankful for money we've received towards our out-going fund. We continue to trust the Lord to provide for all our needs.

Thank you for all your prayers & encouragement!
